MEMORANDUM OF CONVERSATION

SUBJECT: Federal Mapping Task Force Requirement for
KH Coverage of the United States

To definitively resolve some existing confusion over the requirement for KH coverage of the U.S. that the Federal Mapping Task Force expressed in their report, I phoned Mr. Emory E. Donelson of the Office of Management and Budget today. He reaffirmed my understanding that the Task Force objective is to obtain once-over [] panoramic coverage of the U.S. Therefore, contrary to some interpretations (which are fully plausible if the expressed requirement is taken out of context) that the requirement is for once-over coverage of the entire U.S. within one year, the actual Task Force requirement is for once-over coverage of the U.S. less the coverage that has already been taken by []
